Dear Mr. Fasold:

On April 21, 2014, the Division of Oil, Gas and Mining received your letter regarding further obligations at the West Desert Mine. The Bureau of Land Management may develop the site as a community pit which would limit the amount of reclamation needing to be done, but to the Division's knowledge, a final decision has yet to be made.

The Division or the BLM will inform you of any remaining reclamation responsibilities.

Please call Wayne Western at 801-538-5263 or me at 801 538-5261 if you would like clarification on these issues.

Sincerely,

Paul Baker  
Minerals Mining Manager
